On April 16, 1999, pursuant to a Rule 35 Motion, the defendant's term of imprisonment was reduced from 328 months to 188 months. It was further ordered that upon release from imprisonment the defendant be placed on supervised release for a period of 60 months under the standard conditions adopted by the court and the following additional conditions:

On February 19, 2015, the defendant tested positive for cocaine. This is the first time the defendant has tested positive for any illegal substance. The defendant signed a Waiver of Hearing agreeing to the proposed modification of supervision.

**PRAYING THAT THE COURT WILL ORDER** that supervised release be modified as follows:

1. The defendant shall perform 12 hours of community service as directed by the probation office and if referred for placement and monitoring by the State of North Carolina, pay the required fee.
